CREATIVE LEAD & EDITOR. 'The Workshop' film for www.sodazine.com
Directed by Samuel Weeks, shot by Trevor DiMaggio

Guests of The Dorchester 1937 to present (l-r): Elizabeth Taylor, Noël Coward, Peter Sellers, Joan Collins, Thandie Newton, Andy Warhol.

(Stars come and go. This is where.)

The bar at The Dorchester. For over 70 sparkling years, a procession of the glamorous, the gorgeous and the great have spun through the revolving doors on Park Lane. Here, mad dogs and Englishmen rub shoulders with actors and artists. And every barstool, chair and table has its story to tell. Discover them at dorchestercollection.com/london

FASHION RESEARCH, PRODUCTION & STYLING ASSISTANT. The Dorchester Hotel Collection

Whilst working for stylist Lucy Ewing we embarked on putting together former guests from across the ages for client The Dorchester Hotel, Le Meurice, Hotel Plaza Athenee & Hotel Principe de Savoia.

Photographed by Mark Seliger.

Guests of Le Meurice 1922 to present (l-r): Grace Kelly, Salvador Dali (not pictured), Albert Einstein, Kristin Scott Thomas, Gross Weller.

Dali won't be joining us for dinner. He's ordered a bicycle from room service.

Enter Le Meurice and you're following in famous and truly surreal footsteps. Salvador Dali made the hotel his home every winter for thirty years. More recently, Philippe Starck has transformed the interior with playful Daliesque touches, like the chair that wears high heeled shoes and the ice-frosted mirror. As for room service, we're happy to meet any request. Well, almost. Find out more at dorchestercollection.com/meuriceparis

Guests of Hotel Principe di Savoia 1953 to present (l-r): Roberto Belli, Juliette Lewis, Frank Sinatra, Ray Charles, Maria Callas.

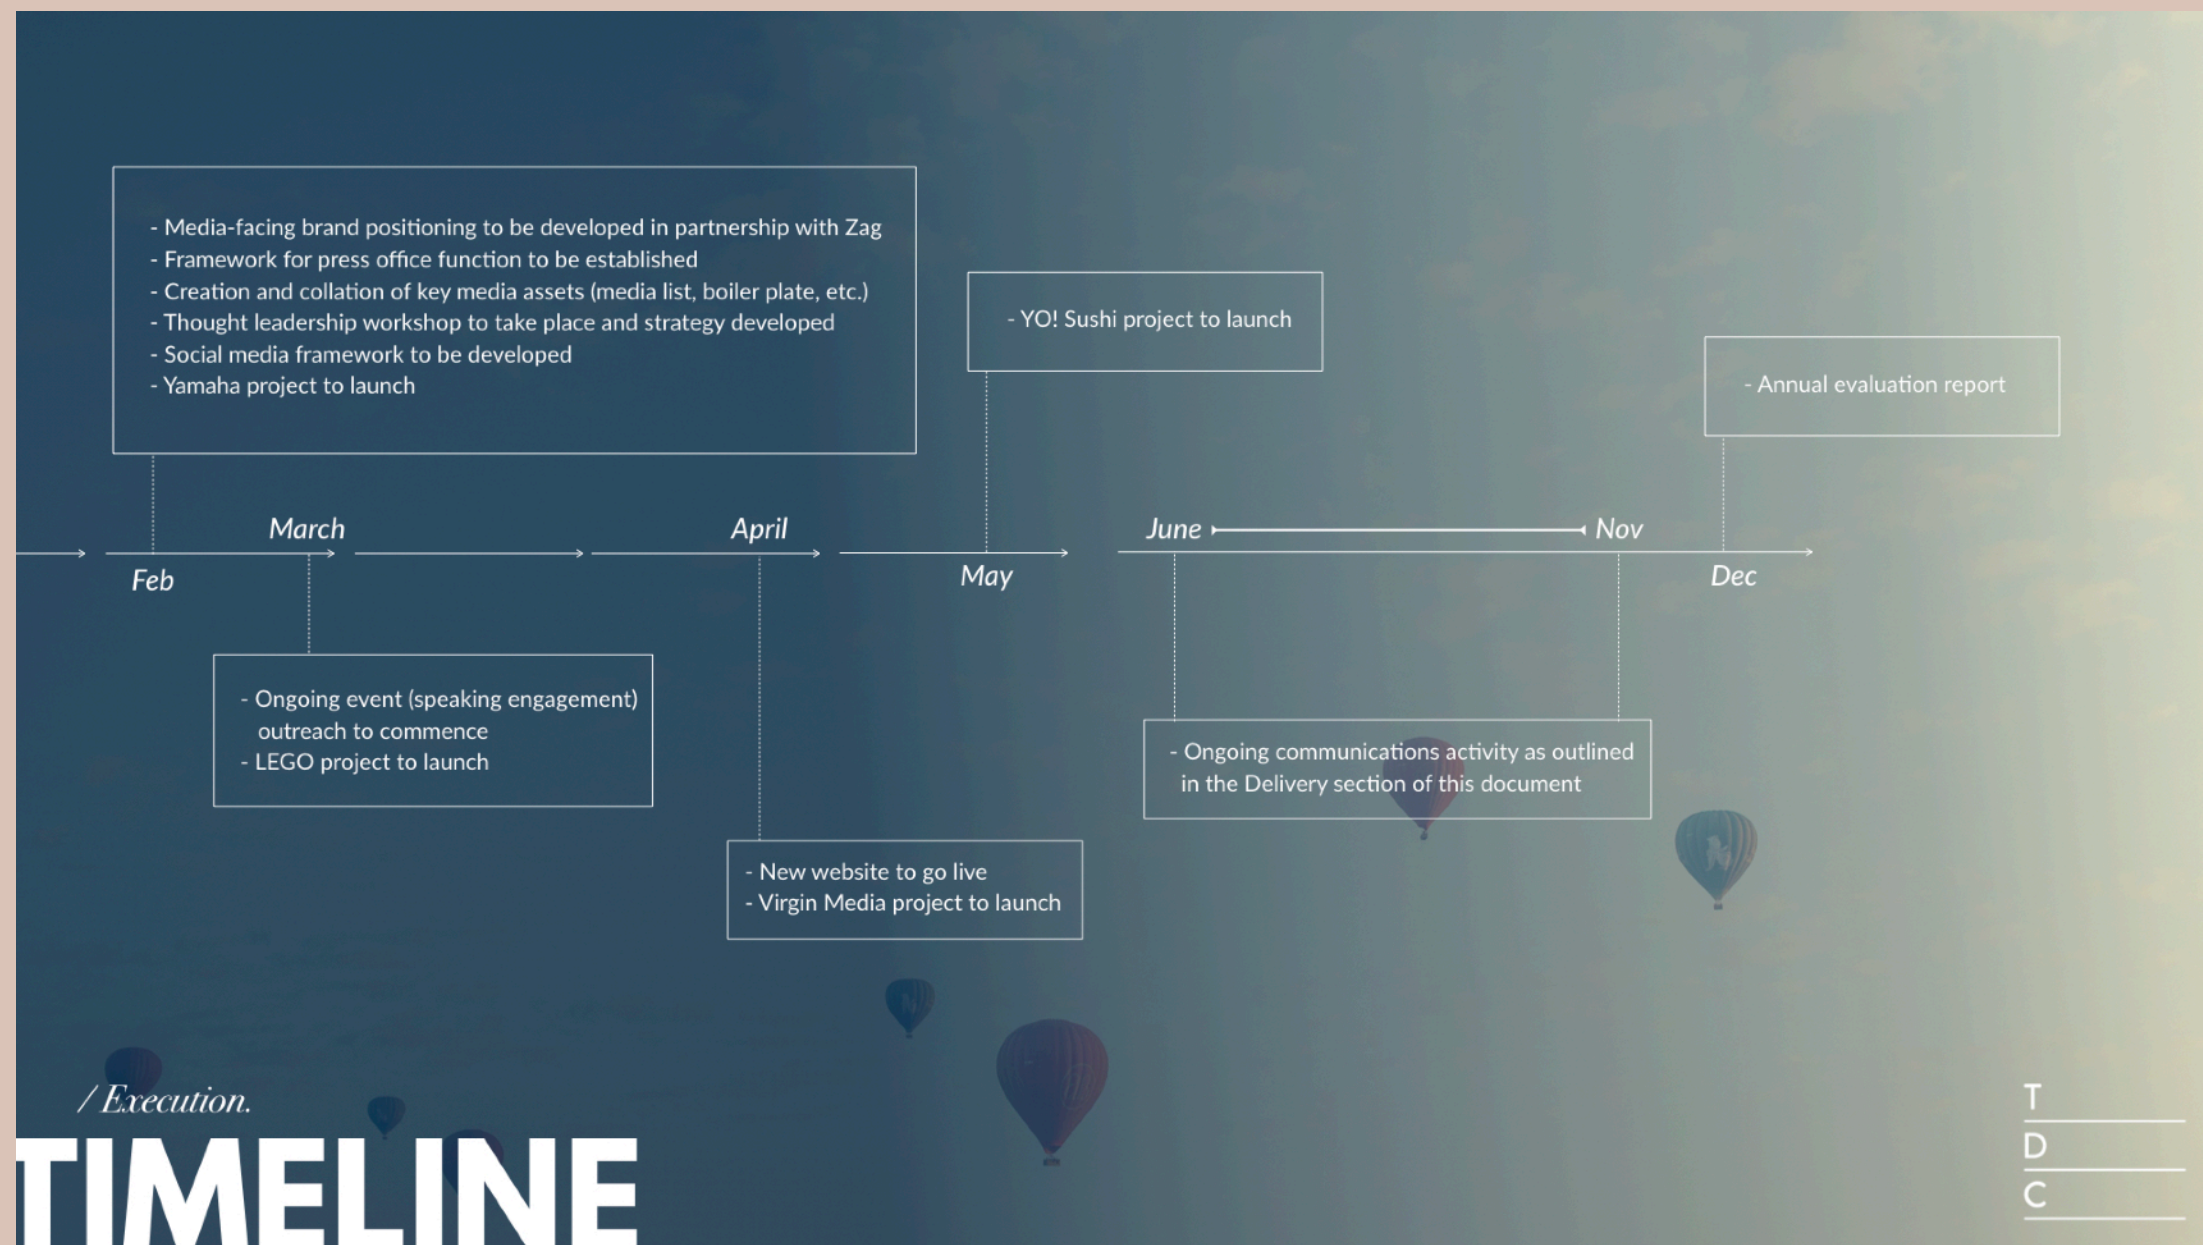

Home from home to people who've always done it their way.

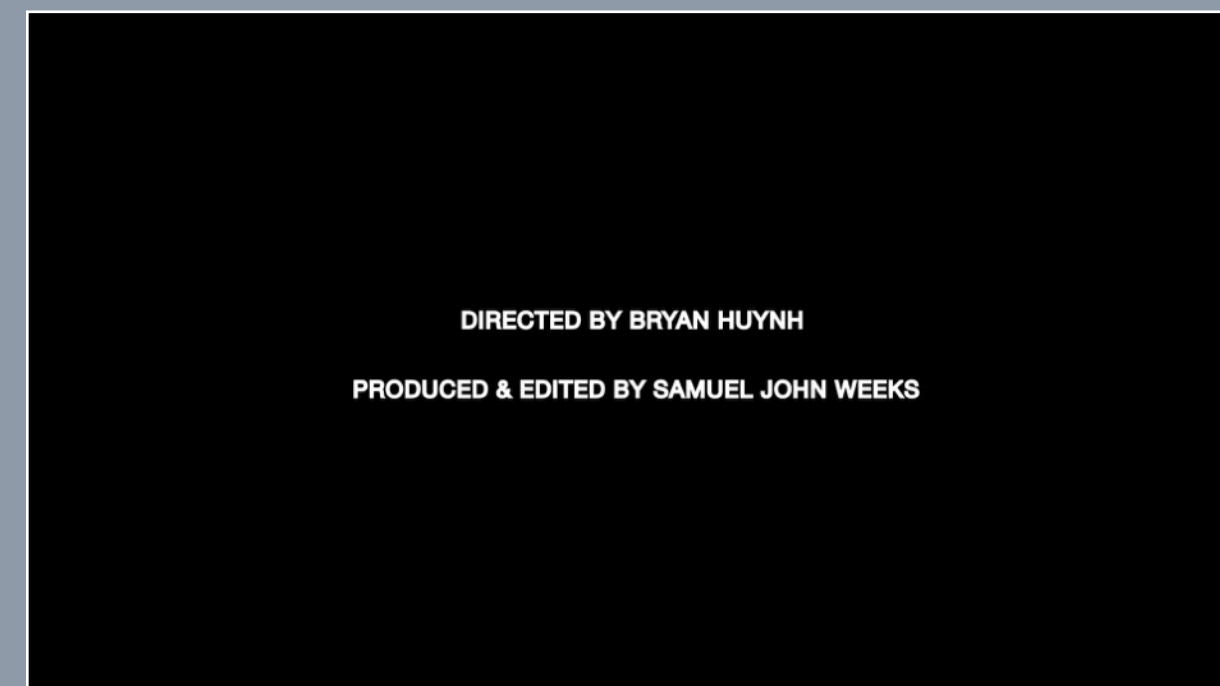

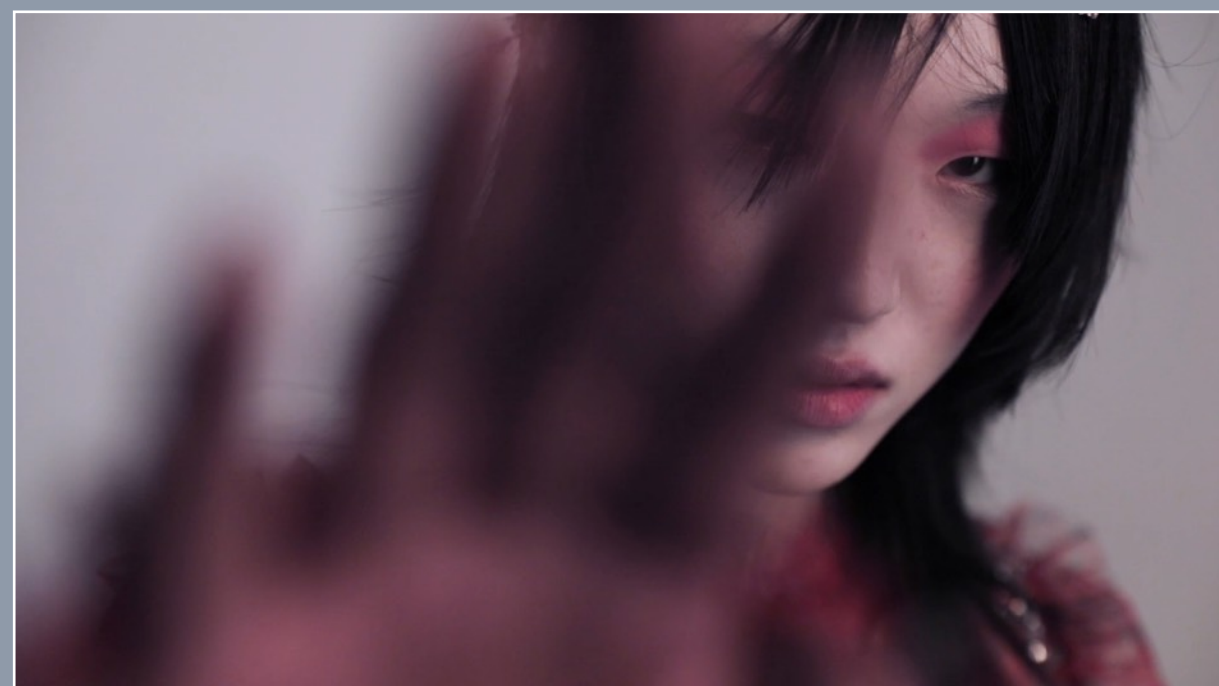

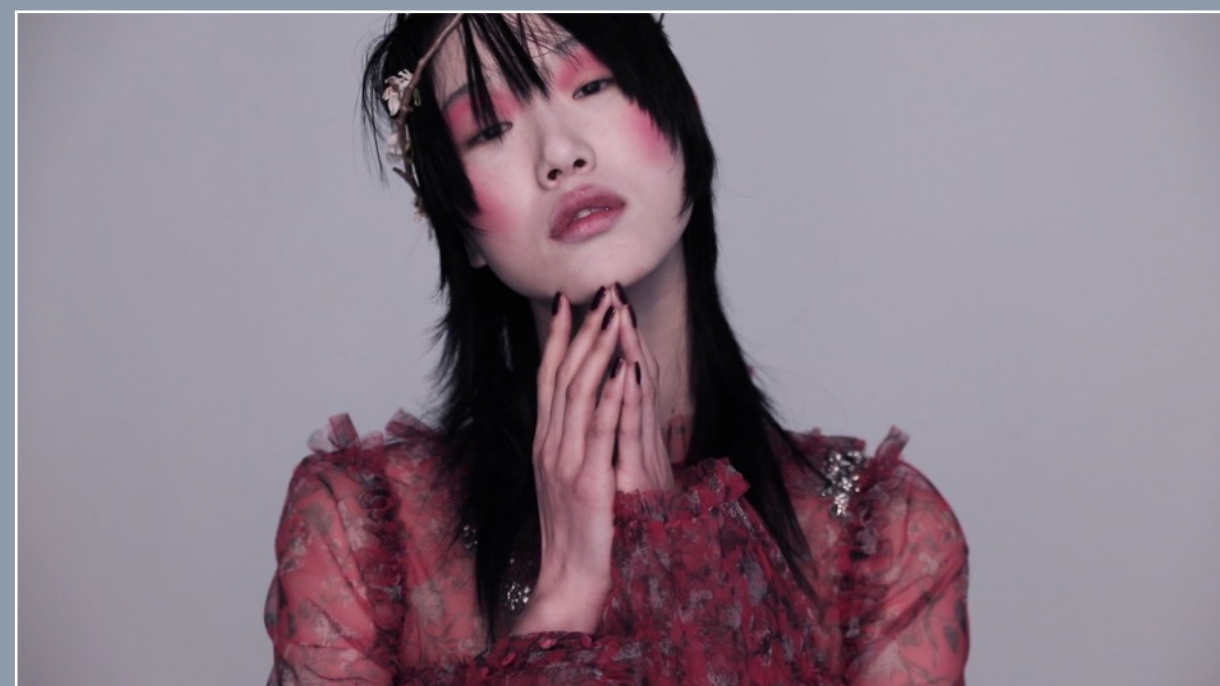

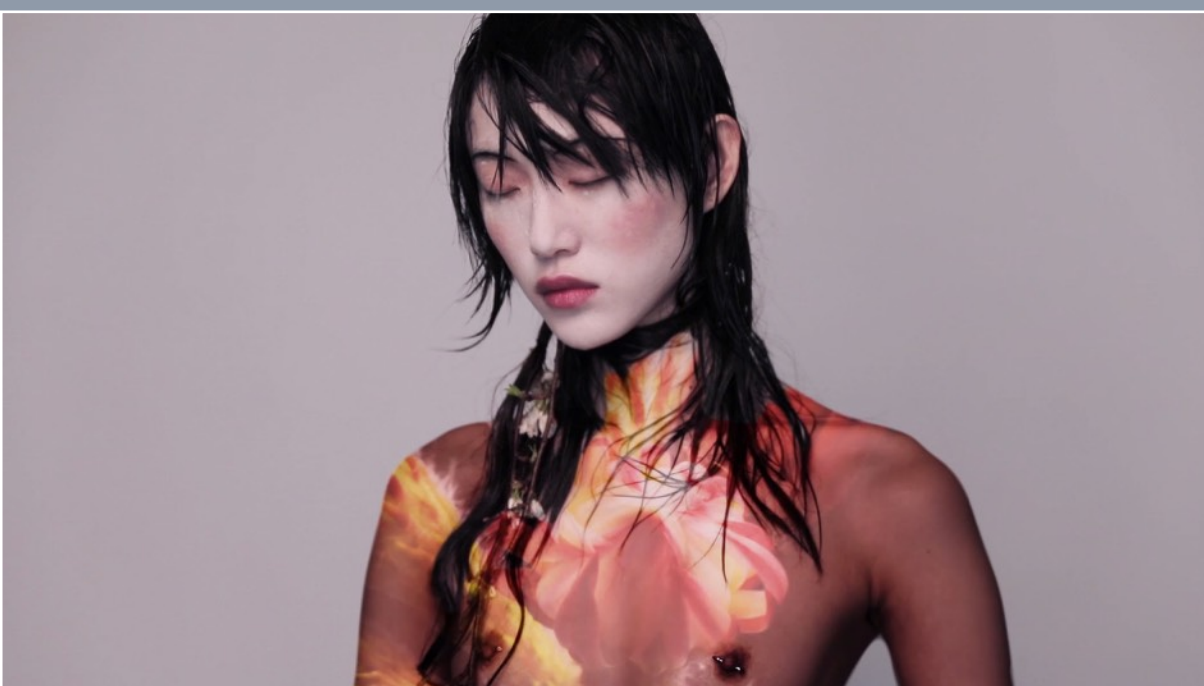

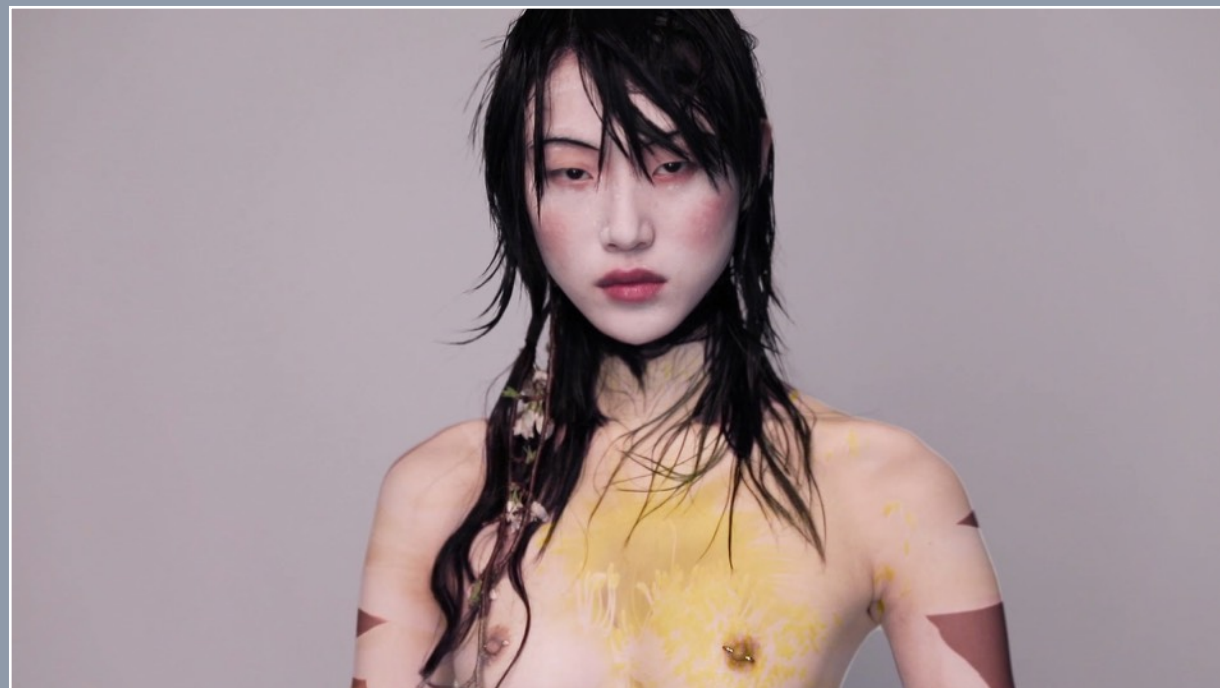

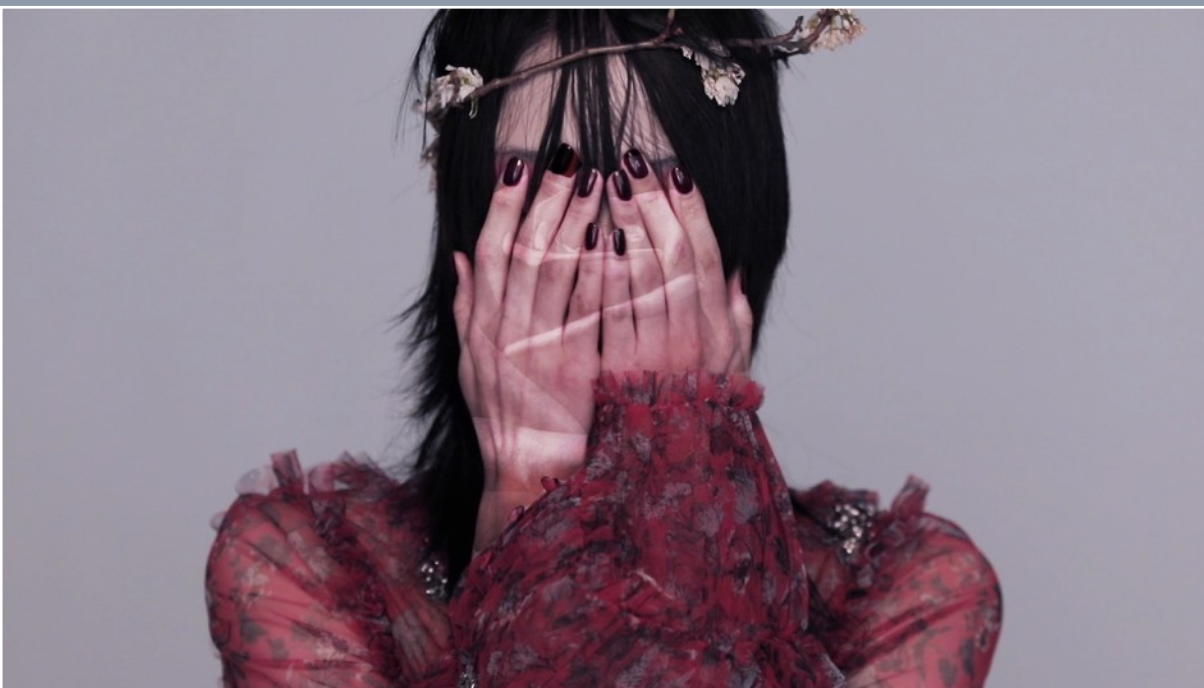

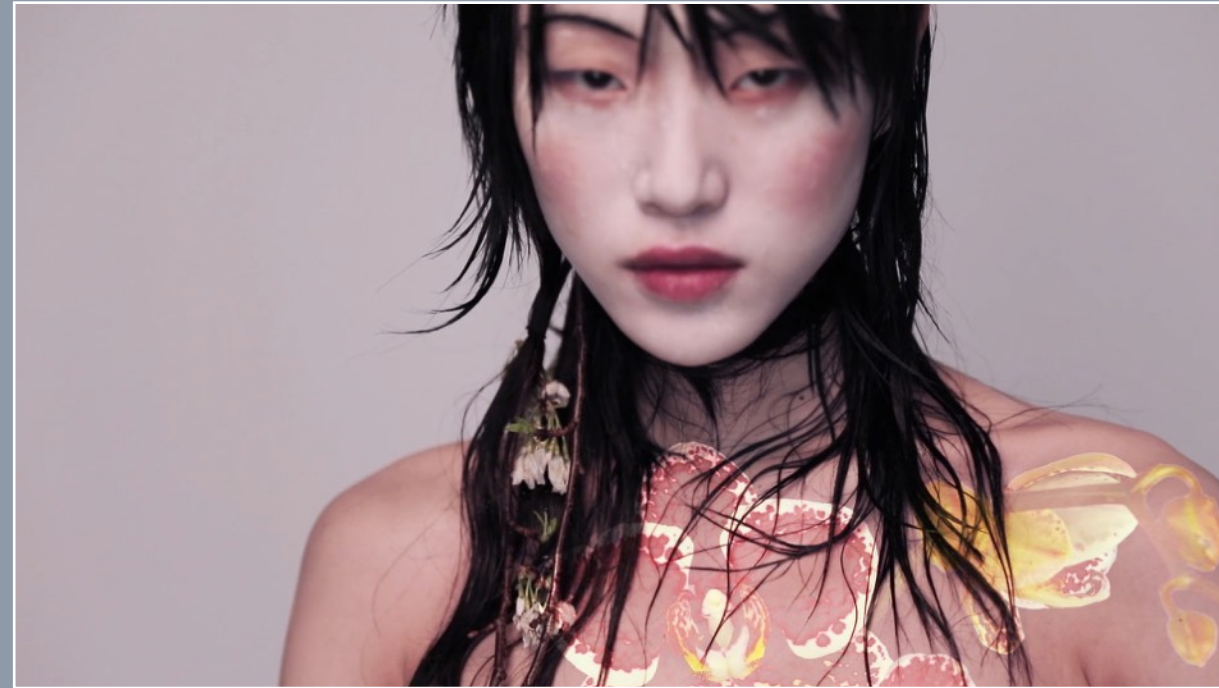

As grand entrances go, few equal the one at the Principe di Savoia. A neoclassical landmark, the hotel has defined style for generations of famous faces. In the Presidential Suite, Sinatra practised his singing. While in the bar, Chaplin, Callas, Onassis and Nureyev traded anecdotes. Today, for those who know about making an entrance, staying comes easy. Leaving, however, is infinitely harder. Discover why at dorchestercollection.com/italy
